It features five tabs: "FINISHING", "EFFECTS", "PAPER", "DESTINATION", and "BASICS". The "FINISHING" tab is currently selected. Inside this tab, there are two main sections. The first section, labeled "QUICK SETS", contains a dropdown menu showing "DUPLEX - BOOK" (labeled 24) and a "DELETE" button. The second section, labeled "DOCUMENT OPTIONS", contains several checkboxes: "PRINT ON BOTH SIDES" (checked), "FLIP PAGES UP" (unchecked), "BOOKLET PRINTING:" (with a dropdown menu showing "OFF" labeled 28), "COLLATE AT PRINTER" (checked), "PAGES PER SHEET" (with a spinner box showing "1"), "PRINT PAGE BORDERS" (unchecked), and "ORDER BY COLUMN" (unchecked). To the right of these options is a preview of a document page (labeled 26) showing a header "H" and a footer "8.5 BY 11 INCHES". Below the preview is a "PRINT QUALITY" section with radio buttons for "BEST QUALITY" (selected), "600 DPI", and "CUSTOM", and a "DETAILS..." button. At the bottom of the dialog are four buttons: "OK", "CANCEL", "APPLY", and "HELP". A label "22" with an arrow points to the right side of the dialog box.
